Professional Summary

Adaptable and fast-learning Computer Science student at Lancaster University Ghana, with hands-on experience in accounting despite having no formal background in the field. Demonstrated strong problem-solving ability, initiative, and the capacity to quickly grasp new concepts while working in a finance role. Passionate about technology, data, and efficiency, with interests in using computational thinking to solve real-world problems. Eager to apply both technical and practical skills in multidisciplinary roles.

Education

Lancaster University Ghana
